
OPERATION GUIDE FOR PAPER DEPOSIT PAYMENT

The paper deposit should be paid for each full paper before publication. After a successful payment, each paper deposit generates a discount code. When you do the registration, it will deduct 200 dollars (or 1500 RMB) from the registration fee when you add the discount code in the registration form. A discount code can only be used by one registration and one registration can only use one discount code. The extra discount codes can be used for co-authors when they do the registrations.

The detailed steps for paper deposit payment are listed as follows:

1. Login to the online submission system via:
