OPERATION GUIDE FOR REGISTRATION & PAYMENT

Before registration, please pay the paper deposit first if you have unpaid paper deposit in your account. After a successful payment, each paper deposit generates a **discount code**. When you do the registration, it will deduct 200 dollars (or 1500 RMB) from the registration fee when you add the discount code in the registration form. A registration code can only be used by one person and one registration can only use one discount code. The extra discount codes can be also used for co-authors when they do the registration.

The detailed steps for registration are listed as follows:
